## Indy Liberation Store

Table 24

About the INDY LIBERATION STORE

Indy's one-stop shop for organizers & activists to learn, educate, agitate, and liberate.

The Indy Liberation Store is Indianapolis's only dedicated source for materials that educate, mobilize, and celebrate the struggles of oppressed and exploited people everywhere—with a firm anchor in the fights right here in our city.

We believe theory, art, and visibility are crucial to social movements. That's why we carefully curate our selection of radical books, political posters, statement apparel, and handmade accessories to serve both the movement's mind and spirit. Find resources on global solidarity and local organizing under one roof.

Every purchase directly supports the all-volunteer Indianapolis Liberation Center, helping maintain our community hub in Fountain Square and fuel the programs that unite people for a better world.
